

# Welcome to ABC - Christ Church's Playgroup

## Welcome

This fact sheet has been created to provide you with some important information about ABC (Adults, Babies and Children) Playgroup.

ABC is an opportunity to relax and make friends whilst your children enjoys themselves.

ABC is for any parent or carer and their child/children aged 0-4 years old. We have many different areas for free play including a baby area, book/quiet corner, outside play area with bikes, trikes and ride-ons, craft table, role play and dress up area, indoor climbing frame and small slides as well as small toys such as cars, trains dinosaurs, dolls houses and Duplo. We also have a designated snack/drink area. At 11am we clear away the toys in order to come together and sing songs. At various times of the year we also have themed sessions e.g. at Christmas/Easter.

## Timetable

9.30am – 11.30am Every Wednesday during school term time. Should it be snowing please check the website for info.

## Cost

There is a suggested donation of £1.50 per family/carers attending. This helps towards drinks & snacks, toys/equipment and any other supplies. In addition we regularly make donations to local charities – please refer to the display board.

## Refreshments

We provide tea and coffee for the adults as well as squash and water in beakers for the children. We also provide biscuits and other snacks. All refreshments are free of charge.

## Facilities

The toilets are equipped with potties and steps and the ladies toilet has a baby changing table. We also have emergency supplies such as nappies, wipes, sun cream etc.

## Safety

Please register your attendance on the front desk in the foyer. In order for all the children to enjoy the morning please remember that you are responsible for your child's safety and good behaviour whilst they are on the premises.

Remember that ABC is a drop in group and, although we always have a member of staff in the foyer, there is no lock on the entrance door. Always be aware of where your child is. We request that you do not take children into the kitchen area or beyond.

## Help

We rely on volunteers to help make the group run smoothly, so if you feel you could help in any way (setting up, clearing away, craft etc.) please do talk to one of the committee members – see display board.
